"Magazines should lawe a well-defined purpose. " Genuine entertainment, amusement and mental recreation me the motives of the James Ser, the

MOST SUCCESSFUL OF MAGAZINES

Its novels (a complete one in each unmber) are by the mest builliant authors of both hemispheres.

Its short stories are matchless-clean and full of human interest.

Its poetry covering the entire field of verse-pathos, love, humor, tenderness-is by the most popular poets, men and women, of the day.

Its jokes, witticisms, sketches, etc., are admittedly the most mirth-provoking.
